**Radiation Safety Information Computational Center (RSICC)
SINGLE-USER SOFTWARE LICENSE
for MCNP® Version 6.x Software**

UT-Battelle, LLC (UT-Battelle) manages and operates the Oak Ridge National Laboratory under its Prime Contract No. DE-AC05-00OR22725 with the United States Department of Energy (“DOE”), an agency of the United States Government. The owners of the copyrights in this software and the associated documentation and package material (the “Software”) identified below have granted to UT-Battelle a license to reproduce and sublicense the Software, and to distribute all or any part of the Software in accordance with existing laws, regulations, DOE orders, DOE/NRC agreements and/or written program office guidance. UT-Battelle hereby grants to the Licensee identified below a limited, non-exclusive, royalty-free, copyright sublicense to use the Software subject to the following conditions:

1. The Software will only be used: (i) internally by the Licensee, and (ii) for the specific end-use as stated in the Licensee’s request.
2. The Software will not be duplicated (except as necessary for modification, backup, or archival purposes).
3. Licensee may modify the Software only for its internal use (“Licensee Modifications”). All rights, title, and interest in and to the Software and any derivative works thereof remain the property of Triad National Security, LLC (“Triad”).
4. Licensee may, at its sole election, submit non-proprietary Licensee Modifications to Triad, which can be contacted at mcnp_help@lanl.gov. For each Licensee Modification submitted by Licensee to Triad: (i) Licensee hereby grants to Triad a paid-up, nonexclusive, irrevocable, worldwide license in such Licensee Modification(s) to reproduce, prepare derivative works, distribute to the public, perform publicly, display publicly, and license only to the U.S. Government and others acting on its behalf, the Licensee Modification(s), and (ii) Licensee must include with each submission the Licensee’s name and comments relevant to such Licensee Modification, and Licensee must conspicuously mark each submission as “Licensee (End User) Modifications to MCNP Version 6.x to LANL”.
5. Subject to the limited exclusion in Section 4, distribution of the Software and/or Licensee Modifications to third parties are prohibited.
6. All rights not granted herein are expressly reserved by the copyright owner, Triad National Security, LLC, including the rights to copy, make derivative works, distribute, publicly perform, and publicly display the Software.
7. MCNP® Version 6.x Software was developed in part with funds from the Science and Technology Directorate of the United States Department of Homeland Security.
8. Neither the names of UT-Battelle, LLC, Triad National Security, LLC, or the Department of Energy nor the names of the Software contributors may be used to endorse or promote products derived from the Software without specific prior written permission of UT-Battelle.
9. “MCNP” and “Monte Carlo N-Particle” are federally registered trademarks owned by Triad National Security, LLC, manager and operator of Los Alamos National Laboratory. These marks may be used solely upon prior written authorization of Triad National Security, LLC, which can be contacted at <mailto:licensing@lanl.gov>. Any unauthorized use is expressly prohibited.
10. Licensee shall indemnify, defend, and hold harmless Licensor, Triad National Security, LLC the U.S. Government, and each of the foregoing’s officers, directors, employees, agents, permitted successors and permitted assigns (each, a “Licensee Indemnitee”) from and against any and all losses, damages, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys’ fees and the costs of enforcing any right to indemnification hereunder and the cost of pursuing any insurance providers, incurred by the Licensee Indemnitee resulting from any claim, action, cause of action, demand, lawsuit, arbitration, inquiry, audit, notice of violation, proceeding, litigation, citation, summons, subpoena, or investigation of any nature, civil, criminal, administrative, regulatory, or other, whether at law, in equity, or otherwise by a third party that the Software or related documentation, or any use of the Software or related documentation in accordance with

this Agreement, infringes or misappropriates such third party's intellectual property rights, including without limitation, patents, copyrights, and/or trade secrets.

DISCLAIMER

MCNP® 6.X Software (Software) and any of its subsequent version releases is provided “as is” without any warranty of any kind, either expressed, implied or statutory, including, but not limited to, any warranty that the Software will conform to specifications, any implied warranties of merchantability, fitness for a particular purpose, or freedom from infringement, any warranty that the Software will be error free, or warranty that the documentation, if provided, will conform to the Software. In no event shall the United States Government or its contractors or subcontractors be liable for any damages, including but not limited to direct, indirect, special, or consequential damages, arising out of, resulting from, or in any way connected to the Software or any provided documentation. Whether or not based upon warranty, contract, tort or otherwise, whether or not injury was sustained by persons or property or otherwise, and whether or not loss was sustained from, arose out of the results of, or use of, the software or any provided documentation. The United States Government disclaims all warranties and liabilities regarding third party software, if present in the Software and distributes it “as is.”

Radiation Safety Information Computational Center (RSICC)
Software Export Control Agreement**

UT-Battelle, LLC (UT-Battelle) manages and operates the Oak Ridge National Laboratory under its Prime Contract No. DEAC05-00OR22725 with the United States Department of Energy (“DOE”), an agency of the United States Government.

UT-Battelle intends to grant to the licensee identified below (“Licensee”) a license to the RSICC Software also identified below (the “Software”) under a separate Single User Software License.

As consideration for the license to the Software, Licensee hereby acknowledges and agrees to comply with all United States Export Control laws, regulations, and policies with respect to the Software and accompanying documents. Distribution of the Software or accompanying documents to any company or citizen of Cuba, Iran, North Korea, Sudan, and Syria is prohibited. Diversion contrary to U.S. law is prohibited.

Licensee represents and warrants that the “Intended Use” of the Software will not be directly or indirectly related to any one or more of the following areas:

- Military, Space Craft, Satellites, Missiles, and associated hardware, software or technical data unless authorized and approved by U.S. Government Sponsorship without Foreign Involvement
- Weapons of Mass Destruction or their precursors (Nuclear, Chemical & Biological)
- Activities subject to U.S. Department of Commerce prohibitions, including but not limited to those activities described in General Prohibitions (15 CFR Part 736) or Control Policy: End-User/End-Use based (15 CFR Part 744).

Licensee warrants that he/she is not identified or listed, and is not a citizen of a country identified or listed, in either the U.S. Government Consolidated Screening List (http://export.gov/ecr/eg_main_023148.asp) or any of the following:

- Entity List, U.S. Department of Commerce, 15 CFR Part 744, Supplement No. 4,
- The Denied Persons List, U.S. Department of Commerce, 15 CFR Part 764, <https://www.bis.doc.gov/index.php/the-denied-persons-list>
- Unverified List, U.S. Department of Commerce, <https://www.bis.doc.gov/index.php/documents/regulations-docs/2713-supplement-no-6-to-part-744-unverified-list/file>
- Terrorist Supporting Countries, U.S. Department of Commerce, Part 740, Supplement No. 1, Country Group E.
- Specially Designated Nationals and Blocked Persons, Office of Foreign Assets Control (OFAC), U.S. Department of the Treasury, <https://sanctionssearch.ofac.treas.gov/>
- Lists of Parties Debarred for U.S. Arms Export Control Act (AECA) and/or U.S. International Traffic in Arms Regulations (ITAR) Convictions, https://www.pmdtc.state.gov/ddtc_public?id=ddtc_kb_article_page&sys_id=c22d1833dbb8d300d0a370131f9619f0
- Nonproliferation Sanctions – Bureau of International Security and Non-proliferation, <http://www.state.gov/t/isn/c15231.htm>

The Software falls under one or more of the following Export Control jurisdictions:

- United States Department of Energy (DOE) 10 CFR 810 - (RELAP, MCNP, SCALE and derivatives of these codes) – For reference to DOE Regulations, please refer to: <http://www.ecfr.gov/> . - In addition to the stated requirements of Part 810, it is the Department of Energy’s Office of Nonproliferation and Arms Control (NPAC) policy to review and as appropriate authorize and approve requests from “Foreign Persons” from countries not listed in Appendix A to Part 810, or to those destinations.
- United States Department of Commerce Title 15, Commerce and Foreign Trade, Chapter VII B Bureau of Export Administration, Parts 730 through 774. For reference to the Commerce Regulations, please refer to: <https://www.bis.doc.gov/index.php/regulations/export-administration-regulations-ear>

Licensee represents and warrants that the certifications made by Licensee in the RSICC Registration Form and the Software/Data Order Form are true, accurate and complete.
